

ITD110 - Web Page Design I
Reading Quiz - Forms
2025-2026

The maximum possible score on this quiz is 5 points.
In the gradebook, it will be weighted 5 points.

Multi-Select Questions: 1 point each correct answer

Each of the following questions might have multiple answers. Select any or all answers that are correct. There are 5 correct answers, 1 point each.

1. At the end of ITD 110, NOVA will ask you to take a course feedback survey. To create that survey, they used HTML. Which of these statements about that survey is true?
 - (a) It uses the `<survey>` element to specify the purpose of the data collection
 - (b) It usesd the `<form>` element
 - (c) It uses the `type` attribute on each input to tell your browser how to display each question
 - (d) There is no way to require that certain questions must be answered
2. I want to create a survey that collects peoples' email addresses. Which of these statements is true?
 - (a) The browser will automatically email a copy of the submitted form to the user's email address
 - (b) I should use the `email` input type
 - (c) The browser will submit whatever input the user types, even if they type an invalid email address
 - (d) The HTML will automatically make sure that the user enters an email address they have access to
