Policies

I. Expectations

- A. Introduction to Computer Science is a rigorous, college level course that will require sustained and consistent engagement from students.
- B. An average of 90 minutes of homework will be assigned for each 90 minutes in class. We will be utilizing a flipped classroom learning environment, where the lecture portion of the course material will be viewed individually at home *before* class meets, and class time will be used for collaborative engagement and discussion.
- C. Frequent "mini quizzes" at the beginning of class will be used to be sure homework readings and practice have been completed. To be successful in this class, students will be expected to be prepared for these quizzes when they arrive in class.

II. Grading Policies

- A. Grading Scale: A= 100 - 90 B= 89 - 80 C= 79 - 70 D=69 - 60 F= 59 and below
- B. Students will receive a weekly cumulative letter grade that will incorporate daily quizzes, tests, projects, and presentations. These weekly evaluations can be challenged by the student, *but only during the week immediately following when the evaluation is given.*
- C. The average of the weekly evaluations will make up 80% of the final grade, with the course final exam making up 20%.
- D. In cases where district grading policies conflict with college grading policies, the high school and college grades may differ; this may include assignment/test retakes, extended assignment due dates, capped minimum grade allowed, among other such district policies.
- E. It is important that students check their final NOVA grades in SIS as soon as their course is completed.
- F. Course Grade Appeals
 - i. Students who think that a semester grade is in error should contact the instructor immediately to present their concerns. Students who wish to appeal their grade or otherwise report a grievance will need to submit Form 125-021 within 20 days of the end of the semester. The original grade will stand if the student delays in submitting their appeal.
 - ii. NOVA's Student Grievance policy can be found here: https://www.nvcc.edu/policies/_files/608-Student-Grievances.pdf
 - iii. Form 125-021 can be found here: <https://www.nvcc.edu/forms/>

III. Course Policies

- A. Student Rights and Responsibilities
 - i. Students should be familiar with the college's specific expectations concerning the conduct of its students. These expectations apply to all students, including Dual Enrollment students.
 - ii. Student Rights and Responsibilities are outlined in the Student Code of Conduct, found here: <https://www.nvcc.edu/students/handbook/conduct.html>

B. Academic Integrity

- i. Academic integrity requires that you recognize and acknowledge information derived from others and take credit only for ideas and work that are yours. It should be the guiding principle for all that you do, from taking assessments and making presentations to writing papers. More about academic integrity at NOVA can be reviewed on the Student Conduct and Integrity page on the NOVA website:
<https://www.nvcc.edu/students/handbook/conduct.html>.
- ii. Violating the Academic Integrity Policy will incur consequences. Your instructor may give you a failing grade for the assignment or for the course. Further, you may be referred to NOVA Cares, reported to an academic dean, or even referred to the Dean of Students for disciplinary action depending on how serious an infraction was committed.
- iii. Please review NOVA's Academic Integrity Policy here:
<https://www.nvcc.edu/policies/files/224-Academic-Integrity.pdf>.

C. Accommodations and Accessibility Services

- i. NOVA is committed to ensuring all students have an opportunity to pursue a college education regardless of the presence or absence of a disability. Information on NOVA's Accommodations and Accessibility Services, including how to reach a Accommodations and Accessibility Services counselor, can be found here: <https://www.nvcc.edu/accommodations>.
- ii. Students must reach out to contact NOVA's Accommodations and Accessibility Services to apply for accommodations. A student with a 504 plan or IEP at their high school will still need to apply with NOVA's Accommodations and Accessibility Services – those plans do not automatically carry over to your Dual Enrollment course. If accommodations are agreed upon, students will receive a Memorandum of Accommodation (MOA) by AAS. All information is kept confidential and may increase your chances of success in the academic setting.

D. Advocacy and Privacy of Student Records

- i. Students are expected to reach out to their instructor if they do not understand content or expectations.
- ii. You, as a NOVA student, have a right to review your NOVA grades and other records. Your high school may share grades and other records with NOVA, and NOVA will share your post-secondary (college) grades with your high school. The grades you earn at NOVA are part of a permanent transcript, and you will be required to include your NOVA transcript as part of any future college or graduate school application. NOVA instructors and other college personnel generally may not release a student's educational records without written consent of the student. For dual enrolled students under 18, parents or guardians may generally access records and grades which are created by or shared with a student's high school. For the purposes of these privacy rules, your Dual Enrollment instructor is considered a NOVA employee.
- iii. To grant parents or guardians direct access to NOVA records, students will be required to submit a notarized copy of NOVA Form 125-356, found here:
<https://www.nvcc.edu/forms/pdf/125-356.pdf>.
- iv. For more information about student privacy, parent limitations of access to students' educational records, and other restrictions on sharing students' personally identifiable information, please review NOVA Policy 613 (FERPA):
<https://www.nvcc.edu/policies/files/613-FERPA.pdf>.

Academic Integrity Policy

NOVA promotes and emphasizes the importance of honesty in academic work. It is therefore imperative for students to maintain the highest standard of honor in their scholastic work.

Academic dishonesty, as outlined in more detail in the [Academic Integrity Policy \(Policy Number: 224\)](#), can include, but is not limited to cheating on an exam or quiz, submitting work that is not your own (plagiarism), or sharing assessments online. Additionally, the use of AI to complete assigned work may be considered a violation of the academic integrity policy. Students are urged to be cautious when using any web tools designed to assist with assignments without their instructors' explicit permission to do so and to cite their sources in all their work.

Consequences of academic dishonesty can include a failing grade on an assignment, a failing grade in the course, and may include additional administrative sanctions such as suspension or expulsion from the college. Procedures for disciplinary measures and appeals are outlined in the [Academic Integrity Procedures](#). It is a student's responsibility to become familiar with the student code of conduct. Lack of awareness is no excuse for noncompliance with NOVA's policies and procedures.

NOVA faculty may choose to use tools such as Turnitin to detect and flag instances of plagiarism in academic writing.

Accommodations and Accessibility Services

NOVA is committed to ensuring all students have an opportunity to pursue a college education regardless of the presence or absence of a disability. No academically qualified student with a disability will be denied access to or participation in the services, programs, and activities of the College. Your access to and inclusion in this course is important to NOVA and your professors. Please request your accommodation letter (Memorandum of Accommodations) early in the semester or as soon as you become registered so that you have adequate time to arrange your approved academic accommodations with your professors. Returning students must renew their Memorandum of Accommodations (MOA) every semester; these students should submit the request 24 hours or later after enrolling in at least one class. Allow up to 7 business days for the request to be approved.

Accommodations are provided for in-person, online, and remote/synchronous (Zoom) learning. To get started, review NOVA's [Accommodation and Accessibility Services](#) website. Following a meeting with a counselor, you will be issued a Memorandum of Accommodation (MOA). You must provide your MOA to your professors, testing proctor, and/or tutoring center to receive your accommodation. You may provide your MOA any time during the semester; however, accommodations are not retroactive. You may email your MOA to your professors or provide them with a printed copy. They will send you an email to acknowledge receipt. You and your professors should schedule a meeting outside of class to discuss questions regarding your MOA. Please remind your professors of any special arrangements that must be made in advance of tests and assessments. If you need a sign language interpreter, or if you need live captions for your Zoom class, send an email to interpreters@nvcc.edu.

Your ability to fully participate in this course matters. If you experience any difficulty accessing course content, activities, or technology, please contact me as soon as possible so that we can address the issue together. Accessibility is a shared responsibility, and your feedback helps ensure that all students have access to learning.

Career Services

The College is committed to providing career services to all students as part of the comprehensive educational journey. [Career Services](#) assists students with exploring, developing and setting goals related to each student's unique educational and academic needs. These services include career assessments, occupational information, goal setting, planning and employment resources. You can [request an appointment with a career counselor](#).

Communication

Northern Virginia Community College (NVCC) faculty, staff, and administrators communicate with students through their official NVCC email accounts (____@nvcc.edu). Students are likewise required to use their VCCS email accounts (____@email.vccs.edu) to communicate with instructors and other college personnel. Students should check their [email accounts](#) regularly.

Course Drop/Withdrawal Policy

Please note these important deadlines related to your enrollment in a course:

- Students may drop courses through [myNOVA](#) until the last day to drop with a tuition refund (census date). Students who drop a class during this period will receive a full refund.
- Students who do not attend at least one class meeting or participate in an online learning class by the last day to drop (census date) may be administratively withdrawn from the class. This means that there will be no record of the class or any letter grade on the student's transcript.
- The *Last Day to Withdraw* is the last day to withdraw from classes without a grade penalty. Students will receive a grade of W. Students may withdraw from a course through the Dual Enrollment Portal. Withdrawing from a course after the census date and before the withdrawal date will result in a "W" grade appearing on your transcript.

To identify important dates for your courses, please visit the [College Academic Calendar](#) and scroll down to the specific session for your course. Please note that any drops or withdrawals from a course may impact [financial aid](#), [international student status](#), or [military benefits](#).
