

Bluebook PSAT Testing Prep

2026-2027 School Year

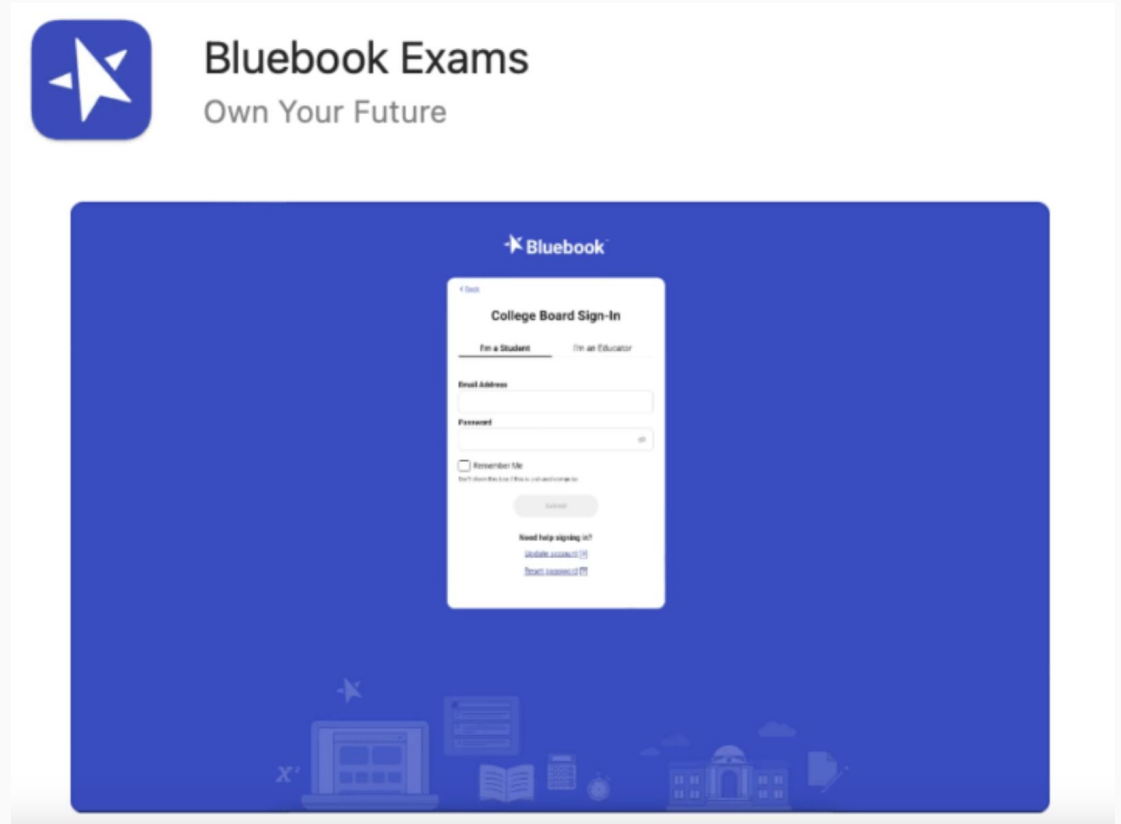

What we're doing today...

In all 10th and 11th Grade Period, students will look for and open the Bluebook App.

ACC will use the Bluebook App for the PSAT test this year, so this is our time to test the app to see that it's in good working order.

If there are any issues while you walk through this process, be sure to tell your teacher. We need all that information to go to IS over at Syphax.

Trouble//Issue Responses

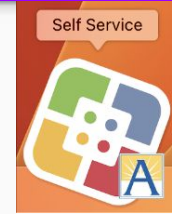

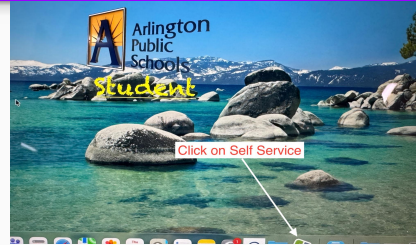

If the Bluebook App is NOT in your Self Service (please call your teacher over so they can take look.

If you have the option to install it, please do so!

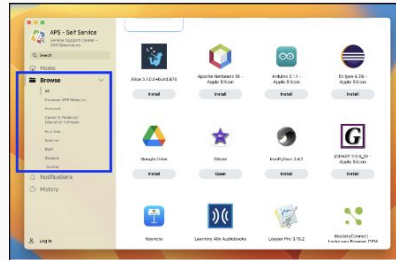

- If there are any issues when you try to OPEN IT > report those to your teacher (Teacher, please submit 2847 ticket).
- If there are any problems when you try to INSTALL IT > show your teacher. They will send you to the tech/ITC. (Teacher, please submit 2847 ticket).

STUDENTS WITH NEW COMPUTERS

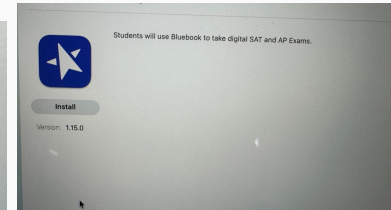

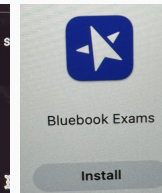

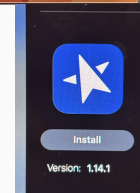

1. Click on the SELF SERVICE:

2. Click BROWSE > ALL

3. Look for the BLUEBOOK Exams app (1.15)
a. Click to install or open

Thank you!

Please tell your Grace Period teacher that you've completed the download.

AND THAT'S IT!

We appreciate your participation in this preparation.

Please be sure to tell anyone absent today about this test so they can be test ready too!

[Video of the process if needed.](#)
